

BODRUM –GÖKOVA – BODRUM

BODRUM

Bodrum is a picturesque town on the southwest Aegean coast of Turkey. The Mediterranean style white houses with purple bougainvilleas and the massive Castle of the Knights of Saint John attracts the visitors. The city was called Halicarnassus in the ancient times and was housing the Mausoleum one of the seven wonders of the ancient world.

In these days Bodrum is also very famous with its traditional wooden type of Gulets built locally in the shipyards. Blue Voyage on a Gulet is a chance of having an unforgettable summer holiday along the coast of Aegean and the Mediterranean. Shopping around the town is a very pleasant way of spending the day, and the nightlife of Bodrum is lively with its bars, disco's and restaurants bringing people together.

KARAADA (Black Island)

The island in the south of Bodrum covered with pine trees on the hills. Island is also popular with its cave has natural hot water spring and well healing mud to skin diseases.

ORAK ISLAND

A beautiful swimming and dining place surrounded with the crystal clear blue waters.

KİSEBÜKÜ

This bay has got some of the ruins from Bzyantine times and is very suitable for anchorage and beach walk.

ÇÖKERTME

This is a small fisherman village with a few restaurants where you can have a chance to eat fresh fish or just to have a nice stop and take a pleasant walk on the beach .

MAZI

The beach part of the small village.It has nice beach with natural atmosphere with a lot of small fish restaurants

TUZLA

Excellent anchorground and still quite inaccessible from land .

KARACASOGUT

One of the far end bays of Gokova gulf.Beautiful scenery and a nice stop for shopping and diner in one of the restaurants.

LÖNGÖZ

Another paradiselike bay ; sheltered with huge pine forests , enjoy a short walk in the forest .Perfect for anchorage and still quite inaccessible from land.

ENGLISH HARBOUR

It offers good shelter and incredible vistas with its green forests and blue sea. The name English Harbour comes from British submarines hiding and sheltering for a few months in this cove during World War II. A little mermaid sitting on a rock at the entrance of the Okluk Bay which has been placed by Sadun Boro the famous Turkish traveler.

SEDİR (Kleopatra) ISLAND

The island is like an open air museum with the unique beach, sand and crystal clear waters. There is a small amphitheater, small buildings with domed roofs, cisterns. It is said that the sand of Cleopatra Beach was brought by Antonius for Cleopatra. It is also forbidden to remove of its special sand from the island.

AKBÜK

It looks very nice from high slopes and especially at sunset. It is one of the most beautiful bays of Gökova.

SEVEN ISLANDS

Camaltı Bay , Bekar Liman (Gökagac Bükü), Karaagac limanı, Uzun liman, Babuş Bükü ve Göllu Ada are most important anchorage points of Yediadalar Region.

KÜFRE BAY

One of the several excellent anchorages, liquidambar trees at the south shores of Gökova you will find a derivative of the platane tree, the "oriental sweetgum" available.

ÇATI BAYS

There are two of Çati Bays which called Big and Small. Perfect coves for overnight of the yachts. Enjoy swimming the next day early in the morning.
